## ABOUT US

**M**iners-Signals is an investment management company. We are run by a team of trading experts who generate profits by buying and selling currencies, stocks, options and commodities on the foreign exchange market. We employ a variety of trading techniques to achieve the set goals for the client. miners-signals is a leading investment manager in real asset. Its sustainable investment strategy focuses on investments in Agriculture, Cryptocurrency, real estate, healthcare and construction.

Miners-signals consists a team of financial market professionals assembled specifically in order to provide the best possible trading conditions to its customers. Our specialists have been involved in the development of technical specification for designing an up-to-date platform that is suitable for both beginners and experienced traders. Miners-signals The commencement of miners-signals is a direct response to the upsurge in the statistics, which are alarming and points to the fact that people earn a decent living but have been unable to improvise and innovate because they lack the means to get these innovations to become inventions. So many people live on a welfare basis. High consummation without recourse to partner with any company, has stamped a hitch on our ability to make headway in wealth generation outside the conventional white collar means. Thus, miners-signals is here to ameliorate the uncanny situation of poverty which is triggered by short run consumption. In line with the PAN European CAPITALISTIC mindset, miners-signals is here to create a new stream of wealth creation and distribution on a Paradigmatic level. Its activities and options to trade, invites all class of society. miners-signals assures everyone of a sustainable financially secured future.

We believe quality Forex investment can elevate investors and bring true financial freedom. Our trading bot has an 80% to 85% winning rate and has been back tested for over a period of 5 years. Our motto here at Alpha Capital Finance is "non-stop growth" and with our disciplined and passionate team of professional software programmers and traders, dedicated to providing the very best service, we believe strongly that we are the Forex investment platform for you.
